

## **Augusta Pines Golf Club Course Information**

### **Description**

Augusta Pines is an 18-hole golf club designed by Tour 18 Inc., the innovators in golf course technology. The facility features a state-of-the-art practice facility (including six target greens, two pitching/chipping greens and sand bunkers). The course negotiates mature pines, dogwoods and oaks. The tees and fairways are Baby Bermuda grass, while the greens feature TifEagle. Our dramatic finishing holes are back to back island greens, the par-3 seventeenth and par-5 eighteenth. A total of 30 acres of lakes come into play on eleven of the eighteen holes.

The 100,000 square foot clubhouse suggests the charm of a stately antebellum mansion. The Augusta Grill and Bar complements our southern theme with an elegant, but casual, cuisine.

### **Directions (northbound)**

I-45 to Spring Cypress/2920 exit, then west to Kuykendahl. Turn right and continue north six miles (staying right and crossing over the railroad tracks as the road forks three miles north of FM 2920) until you reach Augusta Pines Drive, then turn right and continue to the clubhouse.

### **Directions (southbound)**

I-45 to Woodlands Parkway exit, then west to Kuykendahl. Turn left and continue south six miles until you reach Augusta Pines Drive, then turn left and continue to the clubhouse.
